DETAILED ACTION

Response to Amendment

1. Receipt is acknowledged of the Amendment filed on August 24, 2004. The Applicant cancelled claims 1-49, 55, and 56, amended claims 50 and 54, and added new claims 57-90.

Allowable Subject Matter

2. Claims 50-54 and 57-90 are allowed.

The following is an examiner's statement of reasons for allowance: none of the cited prior art of the references (Johnson, Jr. (US 6,078,888), Walker et al. (US 6,128,599) and Khan et al. (US 6,263,316)) taken alone or in combination of other references, discloses, teaches or fairly suggests a method for distributing rewards to an individual account and a collective account comprising, among other steps, attributing a first reward to an individual account, attributing a second reward to a collective account associated with at least one organization, and distributing the first reward to the tagholder upon demand by the tagholder to the financial institution. After further search and thorough examination of the present application and in view of the Applicant's arguments and amendments, claims 50-54 and 57-90 are found to be in condition for allowance over the prior art made of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
